Desktop – List on Left

Information

Best for a single gallery of related assets, like a set of characters, locations, or videos.

Avoid for longer or more complicated content structures, or when you're trying to keep images and formatting consistent across devices:

- No support for Expand in parent
- No support for iPhone or iPod touch, which will use List on Right instead
- No support for galleries with sub navigation

Notes

<background image>
Minimum Resolution: 1920 x 1080 pixels
Preferred Resolution: 2880 x 1620 pixels

Recommended Character Count
Header: 26 characters
Title: 36 characters
Description Title: 68 characters
Description: 285 characters
