Information

Best for a single gallery of related assets, like a set of characters, locations, or videos.

Avoid for longer or more complicated content structures, or when you're trying to keep images and formatting consistent across devices:
• No support for Expand in parent
• No support for iPhone or iPod touch, which will use List on Right instead.
• No support for galleries with sub navigation

Notes

<background image>
Minimum Resolution: 2048 x 1536 pixels

Recommended Character Count
Header: 26 characters
Title: 36 characters
Description: 285 characters
